

INTERLACED LINES PRINTED THIS
DIRECTION GENERALLY WORK!

INTERLACED LINES PRINTED THIS
DIRECTION ALMOST NEVER WORK!

14 **Setup Printer and Print by Clicking the Printer Icon** and Clicking OK. If necessary rotate image for correct printing.

15 To **Save Print File** Click Generate to File. Default is BMP, but we prefer PSD or TIF.

To Save the Project File Click on Project in the upper left and Save your project will Save all your Settings!
